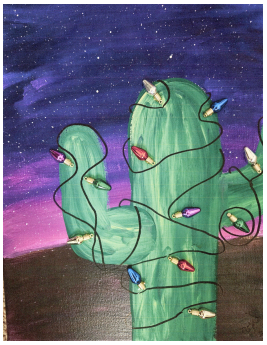
Let's get social! Back by popular demand, our December chapter meeting will feature a fun and festive creative activity led by our very own, Vicki De Werth. Vicki will guide us step by step in painting a cheerful Arizona saguaro cactus wrapped in colorful holiday lights. A festive decoration that brings a little Southwest flair to the holiday season!



December's meeting will be a relaxed opportunity to visit with fellow chapter attendees, enjoy some creative time together, and get into the holiday spirit. We are sure to share some helpful hearing loss tips for this time of the year. Absolutely no artistic experience is necessary and all materials will be provided.

Just come ready to have fun as we celebrate the season.

The meeting space is fully accessible. The room is amplified, has a hearing loop which connects to your t-coil in your hearing aid or cochlear implant, and is fully captioned.

Our meeting format features a casual "Tech Talk" session at 12:00 pm. We cover different smart phone technologies to help you and share our experiences at that time. Plan on enjoyable an informative afternoon. See you there!
